

## **Christmas Morning**

Christmas morning is special to almost every child I know. However not every child has a home or even a family to spend it with. That's where our parents play a key part in our children's lives. Christmas needs to remain special for every child who's less fortunate and especially for those children who have to spend their holidays away from their families. Our proctoring families do their very best to provide for their foster child. Our agency reaches out to our community to donate what they can to keep the glory of the holidays.

Christmas Morning Donations can consist of:

- New Christmas Presents (appropriate for toddler to adult)
- New clothing
- Gift Card donations
- Secret Santa candidates

A lot of times these expenses are coming right out of pocket from our proctoring families and with the economy fluctuating as it is a lot of times our families struggle to cover these expenses. 100% of your donation is going directly to the client in our program. We would greatly appreciate any donation you can offer our program.

- Donating school supplies at the beginning of the school year
- Donating new clothing
- Gift Card donations
- Check or Money Order
- Sponsor a child (Sponsor or fund a particular child of your choice)
